Dear friends, and well wishers,

A BIG HELLO to all of you, from bodhgaya, bihar india

I am aware that has been a long time and I can understand that eagerly awaiting news from us .please accept my apologies .i have been busy working for the school and at same time earning money for my family working as a tour guide studying.

I recently had a skype talk with the project ,President Arnaud Perdry, and the secretary Annie Dubbary. I had explained them how the things were moving ahead, It will take some time but sure. they were reassured and it is now an opportunity for me to reassure you all the sincerity of my plans and the solidity of my intentions to work together to make this school reality.

The last few months ,I had submitted several documents and had to fill many official forms and sent that documents to the home ministry which is located in New Delhi. Luckily I am getting some legally advice from my advocate Mr Kishore kumar who is helping me to make the things easier as he has more experience in this field .I really hope that we will get the government approval soon to have International account to receive funds from other countries ,including your association L'Ecole Des Soleils. I am very grateful for your help .

As I said, I have been busy for the future school too. I have meeting with some international travelers visiting bodhgaya ,speaking with them about our school project and taking them to visit the future school explain them about our future plan like -health programs ,women development ,to build some more class rooms ,nice playground with beautiful garden ,separate toilets for boy and girls ,computer class ,library laboratory ,provides uniforms for the childrens ,tutorial class for senior students ,extra classes for the students who is poor in study. many have shown interest and some are also offered to work as a volunteer .I am sure that there will we many more regular volunteers will come after the school starts.

I have printed donations receipt booklet so that when the suryodaya educational trust receive funds ,we can give official receipt to the visitors who wish to make donations will keep an account of all the money we receive .for the moment we haven't received any donations but many have promised to start donating when the school starts.

I also spoke about the school premises that had been taken good care of my brother-in law working as the night security guard to watch over the building ,renovated thanks to your generous funds that

helped renovation work ,chairs ,pen ,pencils, sharpner ,notebooks, calenders ,study chart,playing material,black board,100ltr water tank for fresh water to the childrens.

As I explained to the president, Arnaud Perdry the bank account to transfer funds will hopefully become functional as soon as possible .we urgently need a sum of 50 thousand rupees to start the school in january .In january we will have only two class with two teachers and one peon with 50 children one for the kids ages 3-to 6 and another ages 6-9.and the budget will be of two teachers and one peon with 50 childrens in one month will be eight thousand rupees only .Iam aware.that the Indian administrations is very slow,I have also heard from Arnaud that you have similar problems in france.

I also told to Arnaud Perdry ,the President to come and visit the school soon and advance us 50 thousand rupees to start the school .will it be possible ,I really hope so.

Last but not the least please find the attached the most recent photo of the school.I would like to thank you for your continued interest and support for this project which will change many lives –those kids and everyone involved in their education ,well-being as well as give an opportunity to the parents to have bigger dreams for the future of their children.

With my warmest regards and sincere thanks ,

Uma Shankar kumar
